

Dear user!

We invite you to take a Distance Learning Course for teachers "SmaLog" – **DLC SmaLog** - with the aim of studying the basic aspects of Smart transport and city logistics, as well as with the aim of teachers' skills upgrading

The DLC SmaLog was developed by the participants of the **Smart Transport and Logistics for Cities project**.

The goal of the SmaLog project is to transfer to the universities of Georgia and Ukraine the latest knowledge and best practices developed in European countries in the field of smart city transport and logistics, which solve problems using new technologies.

Project website - <http://smalog-2017.uniroma2.it>

In order to improve the qualifications of UA & GE teachers at SmaLog Universities, the DLC SmaLog for teachers has been developed.

The DLC SmaLog includes lessons in four areas:

- Passenger
- Traffic
- Freight
- Smart

In each area 3 lessons.

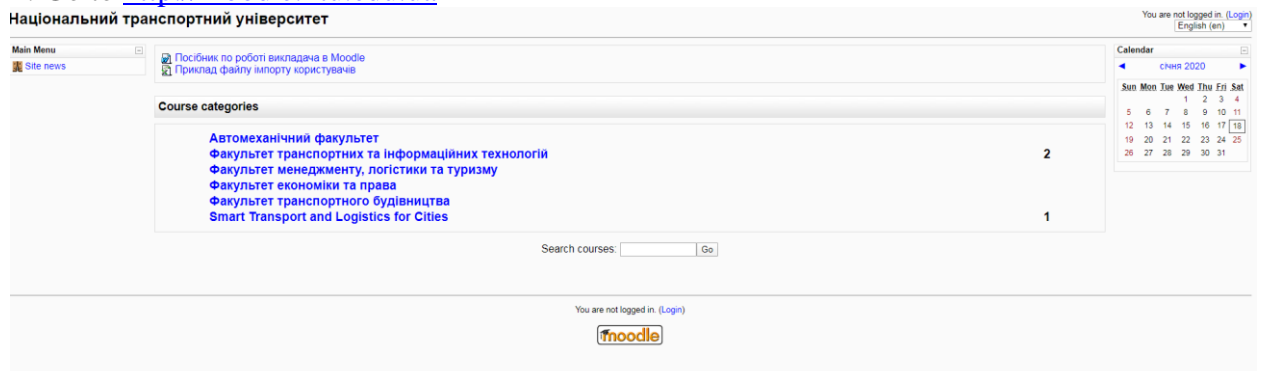

Lesson files are prepared in PowerPoint or PDF formats and could be downloaded for study.

According to the results of studying the lessons, the participant passes a test of 36 questions. Upon successful completion (the number of attempts is unlimited) - the participant receives a certificate.

In the "Useful Resources" section you will find presentations prepared by project participants for seminars and workshops.

Is this your first time here?

Hi! For full access to courses you'll need to take a minute to create a new account for yourself on this web site. Each of the individual courses may also have a one-time "enrolment key", which you won't need until later. Here are the steps:

1. Fill out the New Account form with your details.
2. An email will be immediately sent to your email address.
3. Read your email, and click on the web link it contains.
4. Your account will be confirmed and you will be logged in.
5. Now, select the course you want to participate in.
6. If you are prompted for an "enrolment key" - use the one that your teacher has given you. This will "enrol" you in the course.
7. You can now access the full course. From now on you will only need to enter your personal username and password (in the form on this page) to log in and access any course you have enrolled in.
